

## **PREW Digital Millennium Copyright Act Policy**

### Notice and Takedown Procedure

It is the PRECION Educational Website (hereinafter "PREW") policy to expeditiously respond to clear notices of alleged copyright infringement that comply with the United States Digital Millennium Copyright Act (hereinafter "DMCA"). This page is designed to make submitting notices of alleged infringement to PREW straightforward, while reducing fraudulent or difficult to understand or verify complaints. The form of notice specified below is consistent with the form suggested by the DMCA. We will attempt to respond to notices from other jurisdictions that do not follow the suggested form.

It is expected that every part of the PREW site will comply with applicable copyright laws. However, if PREW receives proper notification of claimed copyright infringement, our response to these notices will include removing material claimed to be the subject of infringing activity regardless of whether we may be liable for such infringement under United States law or the laws of another jurisdiction. We may also document notices of alleged infringement on which we act.

### **Designated Agent**

PREW's Designated Agent to receive notification of alleged infringement under the DMCA is:

Copyright Officer

Email: [copyright.officer@preciotech.com](mailto:copyright.officer@preciotech.com)

PRECION LTD.

Upon receipt of proper notification of claimed infringement, PREW will follow the procedures outlined herein and in the DMCA.

Please note that you may be liable for damages (including costs and attorneys' fees) if you materially misrepresent that material is infringing your copyrights. Accordingly, if you are not sure whether material available online infringes your copyright, we suggest that you first contact an attorney.

### **Accommodation of Standard Technical Measures**

It is PREW's policy to accommodate and not interfere with standard technical measures used by copyright owners to identify or protect copyrighted works that PREW determines are reasonable under the circumstances.
